**Molly is the first Chessie to earn the CH, UD and MH titles, along with being All-Age Qualified in field trials.**

Molly is a confident, tough and eager worker who enjoys training and competing. Like most Chessies, she sometimes prefers to do things her way, but she takes corrections in stride and accepts being held to a high-standard when working. Her biddable nature has been passed down to many of her pups who have done well at early age in both retriever and search/rescue training. Molly works in duck/goose blinds throughout the hunting season and is always

willing to do whatever is asked of her.

Molly is owned and trained by Frank and Linda Pittelli in Maryland. With Frank, Molly has earned HRC Finished and AKC MH hunt titles, and is Qualified All-Age in field trials. With Linda, Molly has earned a UD obedience title with two 1st place finishes and a CH title in the Show ring with 3 Major wins and a Best of Breed placement.
